

PMI[•]

PETROLEUM MARKET INTELLIGENCE

Issued monthly by ACO Energies

Read where the decisions are made.

Sponsorship and advertising with PMI, the monthly intelligence brief on oil, gas, LNG, marine fuels, shipping and petrochemicals.

PMI AT A GLANCE

A monthly brief written for the people who sign the deals.

PMI, Petroleum Market Intelligence, is published by ACO Energies at the start of every month. It combines market data, regional developments and a clear desk view of what they mean for buyers, sellers and investors across the Middle East, Africa and Europe.

Crude oil

Prices, OPEC+ policy and supply risk

LNG and gas

Regional import demand and cargo flows

Refined products

Gasoil, jet fuel, fuel oil and tenders

Marine bunkering

Red Sea, Mediterranean and Gulf ports

Petrochemicals and polymers

Gulf pricing and regional demand

Fertilizers

Urea, ammonia and sulphur

Lithium and critical minerals

Projects and policy

Shipping and freight

Suez and Red Sea transits, tanker markets

Geopolitics

The events that move these markets

Legal and regulatory

Changes that matter to the trade

Direct to the inbox

Delivered by official email to named senior readers, not posted to social feeds.

Senior readership

Decision makers in energy, trading, shipping, finance and government.

Regional reach

Saudi Arabia and the GCC, Egypt, Africa, Europe and South Asia.

Who reads PMI

- National oil and energy companies
- Global trading houses
- Refiners and petrochemical producers
- Shipping, bunkering and logistics groups
- Banks, investors and advisers
- Ministries and regulators

Why sponsors take part

- Visibility with senior buyers and sellers in one place
- Association with independent, useful analysis
- A recurring monthly presence, not a one-off campaign
- Readers share PMI internally and keep it on file
- Clear separation of sponsorship and editorial content

PLACEMENTS

Ways to appear in PMI.

Placements are available for a single issue or as a series, with preferential terms for longer commitments. Premium positions are limited in every issue.

Issue sponsor	Named sponsor of one edition, with credit on the cover and in the email that carries the issue.
Annual sponsor	Twelve editions with priority placement and recognition throughout the year.
Front, inside and back covers	Full page in the most visible positions of the report.
Full, half and quarter pages	Advertising by section and position.
Section sponsorship	Your name on a standing section such as marine bunkering, LNG, shipping or petrochemicals.
Sponsored article	Partner content, clearly labelled and kept separate from editorial.

01

Tell us your aim

The audience you want to reach and the editions you have in mind.

02

Receive the full pack

The PMI Desk sends the Media and Distribution Pack with the rate card in US dollars.

03

Confirm and appear

Book the placement, send artwork, and appear in the agreed edition.
